

FIRST NATIONAL BANK AND KIWANIS SHOP FOR KIDS:

First National Bank and Trust recently donated \$1,000.00 to the Kiwanis' program to shop for needy children, in conjunction with the London Kmart. Bank employees each took an elementary age child from the area and helped him or her shop for shoes and clothing. This is an annual event which the bank has helped with for the past several years. A total of 12 First National Bank employees were able to participate in this year's event.
