

We were honored to receive several awards for our fundraising in the 2017 Relay for Life in remembrance of our co-worker Joel Yaden and all others who are affected by this terrible disease. We received recognition for Sponsorship, Rookie Team, Bank Team and Overall Fundraising Team. Thanks to all who donated to our First National Bank-Team Joel with all proceeds going to the American Cancer Society! Thanks to all of the employees who participated on our various teams.

Also thanks to Debbie Phillips and Barb Jones, not pictured, for putting so much work into this worthy cause.
